Your Excellency,

This is further to my email to the New York and Tokyo embassies dated March 19, 2015. I also refer to my letter dated January 8, 2015 to Dr. Janet Yellen concerning the fraudulent claims of the Federal Reserve. Since then, a Notarial Protest has been lodged with the Universal Postal Union.

As determined by the Development Committee and subsequently informed to them, <https://s3.amazonaws.com/khudes/ldevelopmentcte3.pdf> the Global Debt Facility has filed financing statements with the 12 Federal Reserve Banks in the US. <https://s3.amazonaws.com/khudes/ucc1.pdf> Country debt will be offset against the obligations held by the Global Debt Facility.

The funds of the Global Debt Facility are for the benefit of humanity and may not be transferred without the protocols in the Bilateral Minesfield Breakthrough Successor Agreement, <https://s3.amazonaws.com/khudes/BILATERAL.pdf> which will include decisions to be taken by the Board of Governors and authorized signature. The Board of Governors has determined that there will need to be full agreement about the disposition of assets in the Global Debt Facility. So far, the only agreed disposition is the replacement of fractional reserve fiat currency and remediation of Fukushima as set out in the letters to the Tokyo embassies. <https://s3.amazonaws.com/khudes/ltokyoembassies1.pdf>

The World Bank and International Monetary Fund Development Committee serve as liaisons to the full Board of Governors. During the Annual Meeting of the Board of Governors on October 8 in Lima Peru. I met with about 20 delegations, including with H.E. Arun Jaitley, India's Minister of Finance & Corporate Affairs, and with H.E. Goodall Gondwe, Malawi's Minister of Finance, Economic Planning and Development. The Board of

Governors agreed that I as Overseer Mandate Trustee of the Global Debt Facility, would write the Minutes of the Development Committee, and that any objections to these Minutes would be made public and on record. This agreement has been stated in my social media as follows:

We are making significant progress

India's Minister of Finance, H.E. Arun Jaiteley, headed one of the 20 or so delegations whom I met with at the World Bank's Annual Meetings in Peru on October 8, 2015. I have already followed up with H.E. Goodall Gondwe, whose business card mysteriously appeared on my desk. I met with H.E. Goodall Gondwe in Lima Peru on October 8, 2015, but I no longer had the business card which H.E. Gondwe gave to me in 2015. My file containing business cards was stolen from my home office a couple of years ago.

I was able to call and email H.E. Gondwe after discovering his card, and I reported this contact two years ago:

Eventually all of the member countries of the World Bank and the International Monetary Fund will conclude Monetary Agreements with the Global Debt Facility, as well as non-member countries such as Taiwan and North Korea

I tweeted about the fact that countries are invited to negotiate the Monetary Agreements to access their monetary gold reserves held by the Global Debt Facility.

On October 16, 2020 I announced in my social media that I as Overseer Mandate Trustee of the Global Debt Facility, have written the Minutes of the Development Committee which met virtually on October 16, 2020.
