

# Global Debt Facility

Tuesday, December 28, 2021

Dear Folks,

I was on hold for 20 minutes with the Social Security Office that was supposed to mail me the letter I need to obtain about \$2,000 from my World Bank Pension Fund. Last week, another agent in that office had said the letter was written in October, and that another copy was being mailed. This was a corrupt lie. Today, the Social Security agent (named Ms. Borda) hung up on me.

I am looking forward to shooting a video the day after tomorrow. Everything I have learned about reality and people and spirituality leads me to believe that we are ready to be forgiven by God and his son. The US Government, and the rest of World Governments, are simply one corrupt corporation.

Well, I am now going to prepare for shooting the video.

With all my love,

*Karen Hudes*

As I usually do, I am including links to information I put in my social media recently as well as some years ago.

Kissinger quote from a speech to the WHO Council on Eugenics, February 25th 2009: "Once the herd accepts mandatory vaccinations, it's GAME OVER. They will accept anything – Forcible blood or organ donation- "For the greater good". We can genetically modify children and sterilize them- "For the greater good". Control sheep minds and you control the herd. Vaccine makers stand to make billions. And many of you in this room are investors. It's a BIG win/win. We thin out the herd, and the herd pays us for extermination services" Henry Kissinger

Here is information that I tweeted four years ago:

Yesterday Mike Brakey forwarded two emails, one about the coming mini ice age, and the other about how the Banking Cartel stole patents from the United States.

[from Mike Brakey: I have been traveling and just got a chance to listen to your latest "excellent" video interview on the coming cold period of weather facing all of us. I will forward it to others.

Thanks for copying me on this link:

I wanted to say upfront that you need to take into account how you are learning about this information, and understand that statements about freedom of the internet need to be taken with more than one grain of salt, *Karen Hudes* ]

Subject: Patent Theft Steals From All Americans

To: Tyla

Dear Tyla,

Thanks for your email below and for bringing these recent patent thief articles to America's attention. I wanted to dash something off before I return to my ongoing research into the tragic suppression of GALT chemical reactors by Deep State operatives back in the 20th century.

I continue to enjoy Aim4Truth's Free Energy Revolution articles (website, <https://aim4truth.org/>) concerning the suppression, thief, and/or murder of American inventors since the early 1900's.

Let's begin with your most recent audio release, Patent Thief Steals from all Americans. My own research on patent suppression and thief support your articles. I hope many American patriots find the time to listen to your audio link:  
<https://www.youtube.com/watch?v=4Oex3cri34E> .

The October 17rd video (above) complemented the full, printed article you published on October 16, 2017 titled, LOCK DOWN ON PRISON PLANET ALMOST COMPLETE;

LOCK DOWN ON PRISON  
PLANET ALMOST COMPLETE

## HOW THE US MILITARY CONTROL OF SOCIAL MEDIA HAS ALREADY IMPRISONED YOU AND THROWN AWAY THE KEY

Long before we could imagine the evil of the elite pedophile globalists of the world, they had already started locking down planet earth. They knew that humanity's wakening consciousness would jeopardize their planetary reign so they had to find a way to imprison our minds, direct our thinking, and limit our expanding consciousness.

# EXPOSING THE LINEAGE OF THE NEW WORLD ORDER

## EDWIN W. PAULEY – DAWES STUDENT AND KISSINGER MENTOR

"WE MUST CLAIM ALL WE CAN ACCEPT. THE U.S. MIGHT WELL DEMAND MORE REPARATIONS EXCEPT THAT WE ARE LIMITED AS TO THE KIND AND TYPE OF THING WE CAN TAKE. WE CANNOT USE PLANTS, MACHINERY, AND LABOR. BUT WE CAN TAKE AND SHOULD ASSERT TO THE FULLEST EXTENT OUR DEMAND FOR GOLD CURRENCIES, FOREIGN ASSETS, PATENTS, PROCESSES, AND TECHNICAL KNOWHOW OF EVERY TYPE." *EDWIN PAULEY, U. S. AMBASSADOR, 1945.*

Anyone patriot who found the time to review these two publications, cited above, might want to then find time to read your original kickoff publication from April 24, 2017, titled "The Free Energy Revolution has Begun". This article is found at link: <https://aim4truth.org/2017/04/24/the-real-energy-revolution-has-begun/>. Again, I want to commend AIM4TRUTH for exposing the ongoing patent thief of remarkable American technologies by a criminal element hidden within a non-Constitutional shadow government.

Sincerely,

Mike Brakey

P.S.

In light of JFK documents being released this week, I wanted to comment about your October 23, 2017 bombshell video, "George H.W. Bush and the Murder of JFK" (link: <https://www.youtube.com/watch?v=h6iCOAKN4bI> ). Around the ten-minute mark, you mentioned a name, from the dustbin of American history, Edward W. Pauley (1903-1981).

It was commented at this 10 minute mark of the audio that, to your knowledge, no other "Alternative Media" site has ever mentioned this 20th century titan...that is with the exception of your article from April 14, 2017 titled: Exposing the Lineage of the New World Order. This article is found in AIM4Truth archives at link: <https://aim4truth.org/2017/04/14/exposing-the-lineage-of-the-new-world-order/>.

AIM4Truth provided many intriguing insights concerning Mr. Pauley in the article to the right.

**Wendell Pauley**  
a.k.a.  
**Puppet-Master**  
EXPERIENCE

This included many of the criminal acts Pauley participate in throughout the 20th century in behalf of the Deep State. This included the training of future Presidents in criminal acts. This included both Democrat and Republican Presidents. I pasted one of Edwin Pauley's WWII quotes (found lower right) which you highlighted in this powerful article. The statement concerning gold and patents was revealing and timely.

I wanted to take this opportunity to point out an important connection between Edwin Pauley and the patent thief series. If your researchers check out his education, you will discover Edwin Pauley received both his undergraduate and a master's degree in science from California. Mr. Pauley fully appreciated the importance of patents and engineering processes being comparable to gold itself as pointed out in that same quote to the right.

My investigation of the U.S. government's successful suppression of Thorium

technology (which came out of the Manhattan Project), points to oil mogul and weapons dealer, Edwin Pauley, as the archvillain. Edwin Pauley was positioned as the paymaster of the Manhattan Project scientists on the West Coast in the very beginning of this Atomic Bomb research. He later, within a 24 hour period, had to clout to order a President to fire Robert J. Oppenheimer from the hydrogen bomb project because the renowned scientist questioned the need of a weapon which could exterminate humanity. My evidence suggests Edwin Pauley was the architect of all the structures put in place to suppress and steal the many thousands of patents reported in your recent patent thief series.

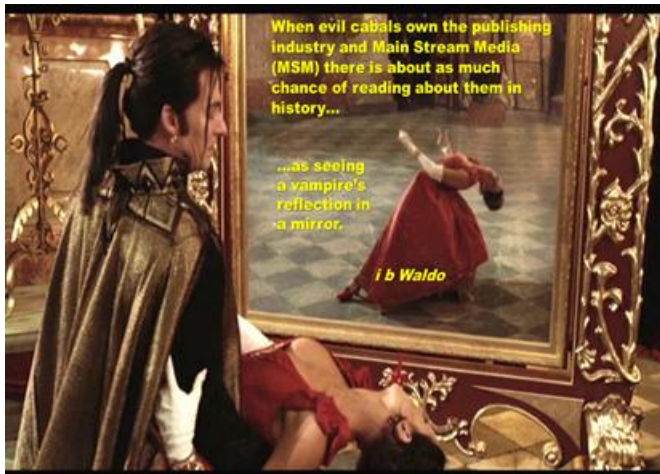

Evidence suggests Deep State puppet-master, Edwin Pauley, between 1932 and 1975, successfully gerrymandered Congressional seats and reorganized Congressional committees and the Executive Branch to create the environment necessary to rob America of its intellectual wealth over the many decades. (As seen to the right, Edwin Pauley was a giant of a man in many ways.)

Yes, some patents are as good as gold; with a positive cash flow which will last for decades. Again, in my opinion, Edwin Pauley was the master mind of suppressing, sabotaging and stealing critical patent applications from the unsuspecting inventors cited in your series. This included the GALT chemical reactor from the late 1960s, GEET technology from the 1980s, computer codes in the 1990s..anything which threatened their secret business monopolies. Patent thief was only the tip of

the iceberg over Edwin Pauley's long career as an American Puppet-Master for the global criminal cabal.

Upon the natural death of one of the most powerful 20th century men, in 1981, the Deep

State began using its vast control of corporate print media to begin eliminating his presence from history. This is very common. To learn of Edwin Pauley's detailed existence, it took a long time to find out-of-print used books for sale on the internet which had not been altered.

Publishers of modern historical books have eliminated this titan from the written page. Should Global elites continue to remain in power well into

the 21st century, this criminal cartel will do the same with the present day puppet-master who took over for Edwin Pauley back in 1974. Aim4Truth has identified this man in the same article above, as none other than Henry Kissinger.

My research suggests, throughout the millennia, global elites continually strive to keep their presence and influence from being detected over time by simply paying historians to write them and their minions out of history books. This is a critical reason the criminal cabal continually seeks to control all aspects of corporate media

Thus the importance of Free media on the internet as opposed to corporate media. President Lincoln, before he was taken out by the Deep State, was quoted to say, "History is not history...until it is the truth!"

I am so pleased to see Edwin W. Pauley's name resurrected from oblivion. At least for the moment, the name, Edwin W. Pauley, once more exists in print media beyond a simple obituary. Now his life story is evolving and returning to the worldwide internet.

We are indeed fortunate to have AIM4Truth and other free news programs available via the internet. When I grow more impatient with the daily propaganda put out by the corporate media, I spend more time with certain free media programs to get a more balanced perspective! I visit your site twice a day more morning and evening headlines.

Good night!

A little case study Douglas and I have been working on. We thought you would like it and pass it around to the energy groups.

Patent Theft Steals From All Americans

October 17, 2017-Forget China who openly steals our technology. We should be very concerned about Washington patent attorneys, U.S. Patent Office, intelligence agencies, and corporations of the military-industrial complex that are keeping very important new technologies from the people of the world. Once you listen to Betsy and Thomas discuss this topic, you will be ready to deep dive into their blockbuster article on patent theft.
